

# Amatza de parto prematuro (APP) (1)

Reposo en cama. Sólo se puede levantar al WC

This pictogram illustrates the first level of care for a woman with a threatened premature birth. It shows a woman lying in a hospital bed with an IV drip, a red cross icon, a woman standing with a red prohibition sign and an arrow pointing right, and a woman standing next to a toilet with a green checkmark.

Reposo absoluto No puede levantarse al WC Debe utilizar la cuña

This pictogram illustrates the second level of care for a woman with a threatened premature birth. It shows a woman lying in a hospital bed with an IV drip and a red cross icon, a woman standing with a red prohibition sign and an arrow pointing right, a woman standing next to a toilet with a red prohibition sign, and a blue commode with a red cross icon.
